The Romanian Journal of Applied Psychology is published biannually (in June and December), in one volume per year by the Euroregional Centre for Applied Psychology (Timisoara, Romania) in cooperation with West University of Timisoara, Department of Psychology. The journal has a blind peer review policy.

The journal is devoted to the advancement of applied psychology. It publishes empirical, theoretical, methodological, and practice oriented articles covering topics relevant to various fields of applied psychology. Whereas particular consideration is given to empirical articles using quantitative methodology, the journal will publish the full range of articles including but not limited to empirical qualitative studies, short research reports, meta-analyses, methodological papers or literature reviews.

The manuscripts should be written in English or in Romanian, according to the American Psychological Association (APA) last edition standards. All charts and figures should be attached separately in a .tiff or in a .gif format. All manuscripts should have an English abstract of maximum 150 words, as well as 5 to 7 keywords in English. There are no limitations regarding the length of the manuscript, however the authors are encouraged to submit manuscripts with less than 10,000 words. Additional details regarding past contributions (summary and abstracts) are available at the following link: [www.psihologietm.ro/revista.php](http://www.psihologietm.ro/revista.php)

Please send one copy of your manuscript via e-mail to: [cilin@socio.uvt.ro](mailto:cilin@socio.uvt.ro) or [afsava@psihoproiect.ro](mailto:afsava@psihoproiect.ro)  
The submission deadlines: November, 15<sup>th</sup> (for winter issues), and May, 15<sup>th</sup> (for summer issues)
